

MODERATOR TRAINING

US ID 115759 Conduct Moderation of Outcomes-Based Assessments

NQF Level 6 / 10 Credits

This course is for anyone who is already a SETA registered Assessor, and now wishes to become a registered Moderator.

Course Duration: 3 day Group

Individuals have the opportunity to attend this course in a series of one-on-one sessions at dates and times suitable to the learner and facilitator.

In this course you will learn the following:

- Understanding how moderation works in an outcomes-based assessment system
- Planning and preparing documents and tools to help you moderate assessments
- Conducting the moderation of an assessment
- Advising and supporting assessors
- Recording and administrating moderations
- Reviewing moderation systems and processes
- Assistance with Portfolios of Evidence
- Registration of delegates with ETDP Seta

The facilitator aims to help 100% of delegates receive their qualification. Learners will be required to complete a Portfolio of Evidence to demonstrate competency as a Moderator. Two Moderations of actual Assessments will be performed in the classroom for the Portfolio of Evidence (PoE).
